

Disabled Supporters

We pride ourselves on making football accessible for everyone, and are firmly committed to ensuring Disabled Fans are not alienated or discriminated against.

We offer the concessionary rate of entry to all disabled supporters and where a Personal Care Assistant is required they are admitted free of charge. Please note that if requested you are required to show proof you are in receipt of Disability Living Allowance to qualify for the reduced price (as per the condition attached to all tickets sold at a reduced rate).

To enable us to best meet the needs of Disabled Supporters, Main Reception acts as our Accessible Ticket Office at all times, including Matchdays.

Please note that there are Blue Badge Parking spaces reserved for free entry for Disabled fans, both home and away, on matchdays however for big games these do fill up well in advance of the game and no vehicles are admitted within the final 30 minutes of kick-off. Where access to the Car Park is not possible, the Traffic Wardens and Police will look to assist Disabled fans as far as they are able, usually by means of a drop off and collection point.

Wherever possible we would ask that Disabled Supporters contact us before arriving at the ground as this gives us the best chance to understand and meet your individual requirements.
